FCC - MAILROOM

Letter of appeal for SLD Decision - CC Docket No. 02-6

Funding Year: 2004: 07/01/2004 - 06/30/2005  
Date of 471: 1-26-2004  
Billed Entity Name: Bath County School District  
Form 471 Application Number: 392300  
Billed Entity Number: 128792

Appeal of SLD CC Docket No. 02-6 - On 1-26-2004 the Bath County School District mailed two 471's to the SLD for approval. In the process of coping the 471's the block 6 signature page for Application number 392129 was also copied as the signature page for Application number 392300. When a letter of receipt for the 471 was not received a contact was made to the SLD. This verbal contact requested that the SLD allow the school district to send the appropriate signature page to be attached to Application number 392300 and the school district was informed that a Letter of Appeal was required. The school district provided a Letter of Appeal along with the appropriate signature page for 471 Application number, which was late denied by SLC in a letter dated July 16, 2004.

The signature pages for all 471's are the same except for the application number. Thus the signature page that was attached (containing the wrong Application number) contained the same exact data and information. The application that was denied upon appeal was for telecommunications (local phone service, long distance phone service, and cellular phone services).

Thus the local school district is requesting that the 471 Application number 392300 be approved.
